St. Anthony, Ida., July 16.—St. Anthony defeated Blackfoot in a one-sided game, St. Anthony infield and the heavy hitting of Fulimer, Gimlin' and Clark were the features of the game. Thompson for the locals pitched shutout ball and allowed but two hits, those being exceedingly on the serntch order. Scitz, for Blackfoot, was in the box, but because Catcher Henry whs disabled he had to relieve Wade, who presented the locals with four runs on passed balls. Klemmer went in the box in the fourth and had but little success in holding down Dad Gimlin's sluggers. The game was devoid of interest except for the brilliant work of the local's infield and their heavy hitting.

Since Lawson Quit Riding New Combines Are Made and Hard Feeling Exists.

Now that Iver Lawson is out of the way, the pros at the saucer track hav With Lawson riding, it is the whole track to best the champion unless some favored rider is paid to help him out. With Iver out, it leaves three or four men pretty evenly matched and there is a warm time framing up the combinations.

These scraps first came to light at the races at Ogden Monday night and it was rumored at the local track last night that several of the riders came to blows in the training quarters after Monday night's races. Teams that had been working against Lawson were now divided and worked against each other, which resulted in much bitterness. Nothing of this nature broke loose last evening but the feeling was there, ready to flare up any time.
